Intersession, the period between first and second sessions that all campers leave camp, will be **July 19-22, 2024**. This is crucial for our staff to reset and prepare for the following session, ensuring that we continue to provide the best care and experience for your children.

We will provide transportation to/from camp to our regular locations (the information listed above). If you will be out of town or do not live locally, please let us know with whom you arrange for your child to stay. If you need help with Intersession planning, we are happy to connect you with another Mosh family who might provide a weekend homestay for your child.
